FOOD SERVICE PRODUCT GUIDE

Established in 1921, CCP Industries is a pioneer in specialized wiping cloths. After 100 years of service, we have become one of the largest converters of nonwoven wiping products in North America. Our Knoxville, Tennessee facility manufactures a complete line of disposable towels for food service, industrial and janitorial markets. CCP Industries is a direct importer of gloves manufactured for us overseas and shipped directly to our warehouses. Not only do we have the most extensive product offering in nonwoven wipers and gloves, we also offer an array of personal protective products, cleaning and facility supplies.

Follow us on Facebook, Instagram, YouTube, and LinkedIn for new product information and specials.

FOOD SERVICE TOWELS

Used extensively to replace cotton towels, CCP food service towels rinse cleaner and wipe more effectively. Colors can be used to separate specific tasks, such as yellow for front of house & blue for the kitchen.

Ineffective sanitizing is often a cause of food borne illness. Cotton towels, commonly used with quaternary and chloride sanitizers can rapidly reduce their effectiveness. This happens because the active ingredients in the sanitizer attach themselves to the cotton fibers and do not release in sufficient strength for proper sanitizing. The unique fibers in our food service towels help maintain sanitizer effectiveness far better than cotton towels.

Disposable Towels

Best Seller

FLOOR PROTECTION

Floor Protection and Safety Matting

Avoiding slips, trips and falls is important in any facility. CCP offers a variety of absorbent, wet/dry anti-fatigue, indoor/outdoor entrance mats, and industrial runners. Don't see what you are looking for? We have many other options to fit your specific area and application.

Ask us about adding your logo to one of the indoor/outdoor mats. No set-up charges, fast shipping with a minimum of two mats

Comfort Flow™ Anti-Fatigue Slip-Resistant Matting

Clean- Drainage holes allow liquid to flow through; lifetime anti-microbial treatment prevents odors and degradation of the mat

Safe- Beveled edges provide a safe transition from floor to mat; certified high-traction by the National Floor Safety Institute (NFSI)

Comfortable- High-density closed-cell nitrile rubber cushion provides excellent antifatigue qualities

Versatile- Grease and oil proof; chemical resistant; welding safe

Easy to Clean- Lightweight, flexible design ensures easy handling and cleaning

Modular tiles are available for custom configurations, and linkable mats are available for longer runs

Great near transition areas!

SureGrip® Absorbent Adhesive Floor Mat

Adhesive backed commercial floor matting replaces rubber-backed mats and rental mats in entrances, or any location where slippery floors could affect the safety of employees, customers, or visitors; absorbs both oil- and water-based liquids

The below matting options are also available without a logo.

Classic Impressions Indoor Mat

High twist, heat-set nylon resists crushing, extending the life of the mat; available with cleaning backing for placement on carpet, or smooth backing for hard floor surfaces

Item number determined by design. Specific to each logo order

Waterhog Impressions HD Indoor/Outdoor Mat

Bi-level surface effectively removes and stores dirt and moisture beneath shoe level; rubber reinforced face nubs prevent pile from crushing; molded backing resists curling and cracking in all types of weather

Item number determined by design. Specific to each logo order

SuperScrape™ Impressions Scraper Outdoor/Indoor Mat

Logo is permanently bonded into the slip resistant surface; textured surface cleats effectively scrape dirt and grime off shoes from both directions; anti-static backing will not crack or curl; resistant to oils and chemicals

Item number determined by design. Specific to each logo order
