# INDOOR AGRICULTURE PRODUCT GUIDE

CCP Industries has been an industry leader in industrial wiping cloths since 1921. Not only do we have the most extensive product offering and packaging options of woven and nonwoven wipers, we offer an array of PPE facility supplies.

CCP Industries understands the importance of indoor growing. Growing inside conserves resources and allows opportunities for year-round farming. Each year greenhouse indoor farming has proven to be increasingly commercially viable and significantly sustainability.

Cannabis is one of the fastest growing indoor agriculture industries. The US cannabis industry is currently worth \$61 billion. The industry is projected to be worth \$100 billion in the US by 2030. In 2020, nationwide sales increased 67%. CCP is knowledgeable on the products needed to maintain your grow house. No matter where you operate or what you produce, CCP can provide you with many products to keep you moving forward.
